Tim Dowley : High Above the Holy Land: Unique Aerial Photographs of Israel before purchasing it in order to gage whether or not it would be worth my time, and all praised High Above the Holy Land: Unique Aerial Photographs of Israel:

1 of 1 people found the following review helpful. superb introductory book to geography of the Holy LandBy Doulos72This is an excellent introductory book to the topography and archaeology of the Holy Land. Brief little volume but well done.

Here is a large, full-color book filled with stunning aerial photographs of many famous biblical sites. An excellent gift book to be treasured as a lasting keepsake.
