**Henry Pickering Walker, Don Bufkin : Historical Atlas of Arizona** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Historical Atlas of Arizona:

4 of 4 people found the following review helpful. TextbookBy happycritterThis was a required text for my "History of Arizona" course. It was helpful for tracking the evolution of the state as well as being a steady reference for the location of events. Without a companion textbook, it would be very dry and is intended for academic/historic pursuits.0 of 0 people found the following review helpful. Loved it! I have already read itBy CustomerLoved it! I have already read it!0 of 0 people found the following review helpful. Informative book and would be even more interesting if updated ...By James W. HeadInformative book and would be even more interesting if updated. Giving the copy to

history teacher in CO and ordering another for my library.

This Second Edition, updated from the 1980 census, reflects the new county boundaries, the continuing Hopi-Navajo land dispute, the changes in Indian populations and congressional districts, the growth in population in Arizonas counties and cities, and the decline of the copper mining industry. An addition to the Bibliography lists new books about Arizona and its history.

About the Author Henry Pickering Walker (1911-1984), a well-known historian of the American West, was the author of *The Wagonmasters: High Plains Freighting from the Earliest Days of the Santa Fe Trail to 1880* and coauthor of *Historical Atlas of Arizona*, also published by the University of Oklahoma Press.
