Ilja Schroeder, Jim Thompson : Trekking and Climbing in Northern Spain (Trekking Climbing) before purchasing it in order to gage whether or not it would be worth my time, and all praised Trekking and Climbing in Northern Spain (Trekking Climbing):

0 of 0 people found the following review helpful. ... where Jim Thomson and his wife Pillar runs a great Hotel Torrecerrado in Asturias By Damascus Steele I got the book and stayed where Jim Thomson and his wife Pillar runs a

great Hotel Torrecerrado in Asturias. Super view of the Picos mountains. Best of all great food and the price can't be beat. 0 of 0 people found the following review helpful. giftBy JulietaI got this as a gift from my friends in the USA and it's not bad. The information is not up to date since it is not from 2013; however, people can find interesting information and a little bit of Spain.

16 treks and 10 climbing peaks Top-class cartography and strip maps pinpoint every route The Pyrenees, Picos de Europa, and Cordillera Cantabrica A clear, authoritative description of treks and peak climbs through northern Spain. Fascinating information on indigenous wildlife and the stunningly varied landscape is complemented by practical advice on travel, techniques, and equipment. Along with specific details for each trek, environmental issues, first aid, and mountain photography are also discussed.

About the AuthorIlja Schrder is a photographer and has been living in the Pyrenees and Cordillera Cantabrica since 1989. Jim Thompson and his wife lead treks in South America, Nepal, and the Picos de Europa, where they have lived for 13 years.
