**Jack Jackson : Trekking Atlas of the World** before purchasing it in order to gage whether or not it would be worth my time, and all praised Trekking Atlas of the World:

2 of 5 people found the following review helpful. Trekking and not hiking!By Priscilla BorgesI returned this item because despite its very beautiful pictures, it is really made for serious trekking, and not hikers, like me. I recommend for those who has more time for longer trekking vacations. Beautiful book anyway!

Over 50 long distance hikes to be taken on every continent in the world described and illustrated with photographs, maps and practical advice.

About the AuthorJack Jackson, mountaineer, diver, photographer, lecturer and author - has carved an impressive reputation for himself. Originally an industrial chemist, Jack answered red the call of adventure and set off on expeditions in the Himalaya, making his living from lecturing and photog raphy. He explored remote areas of Asia, Africa, Europe and the Far East, both on his own and as leader of scientific, cultural and tourist expeditions. He has

trekked in Morocco, Afghanistan, Iran, Oman, Nepal, northern India, Borneo, Iceland and Greenland. Jack is a member of the Alpine Club, Climbers' Club, Scientific Exploration Society and Outdoor Writers' Guild. He is a Fellow of the Royal Geographical Society and consultant to the Expedition Advisory Centre at the Royal Geographical Society.
