**Daisy Kunstaetter, Robert Kunstaetter : Trekking Peru: A Traveler's Guide** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trekking Peru: A Traveler's Guide:

Among the most dynamic travel destinations in South America, Peru boasts a wealth of trekking opportunities. The

country's 15,000 mile inca road network, extensive archaeological remains, and rich, living cultural traditions, combined with 50 million acres of protected natural parks and reserves, make Peru ideally suited to trekking-based travel adventure. Trekking Peru showcases nine different regions in the country, covering popular areas such as Cusco and Lake Titicaca but also less-traveled areas such as the Great Inca Road and more remote areas in the Central Highlands. The variety the Kunstaetters offer and their insights as locals in the region are what make this guide stand apart and prove especially useful. Trek through time on Inca roads and others historic paths to heavenly vistas, inviting communities, and some of the great natural wonders of the world.

About the Author Robert and Daisy Kunstaetter have lived and traveled in South America for many years, settling in Daisy's native Ecuador as their permanent home. They are the co-authors, major contributors, or cartographers of 23 different books, including the classic South American Handbook, currently in its 89th annual edition. They live in Vilcabamba, Ecuador, just over the Peruvian border, and write about Peru on [trekkingperu.org](http://trekkingperu.org)
