Pj Belanger : Triking Into Retirement before purchasing it in order to gage whether or not it would be worth my time, and all praised Triking Into Retirement:

0 of 0 people found the following review helpful. OBy CustomerWas OK, some good info but a little too much personable info from a rider not driver. Good facts on definitions, good links for more info0 of 0 people found the following review helpful. Lots of info for the New-to-Trike-Rider!By CustomerGood read for the rider new to Triking. I read this to my husband while he drove the cage on a long ride. Thank you.3 of 3 people found the following review helpful. Great bookBy MikeThis was a great book because it is a positive look into the world of trike touring. I didn't give it a full 5 stars because the book was too short, but on the other hand it gets a full five because it does draw you

in. If you are interested in getting started in trike touring, this is a great book to wet your appetite. There is not enough written about trikes, well maybe we'll have to chase that.

Retirement means having the time to pursue your dreams of traveling. This book explores the world of three wheeled motorcycles and proves that you are never too old to try new things. Explore the experience of travel across country in the open air on a trike. Learn about the ins and outs of motorcycling - three wheeled style! Retirement can be fun and exciting.

About the Author Pj and Roger Belanger have been married for 42+ years. Throughout their married life, they've had a passion for travel. Now that Roger has retired, they are exploring the country even further with a 2009 red Harley Tri-Glide and more recently, an RV. Pj is a longtime author. Although known for her Northeast Nascar short-track racing books and sports paper column, she now devotes her time to writing Science Fiction and Fantasy novels. Roger spent his working life first as a college Math Instructor and then as a computer systems engineer/architect. He's been lucky to have travelled all around the world as part of his work. Together, they decided to share their experiences on motorcycling and triking in particular. They hope you enjoy this book and that you will possibly find it an inspiration to follow your own dreams of travelling in retirement. Pj and Roger now live in central Florida. They have two sons, a great daughter-in-law and two wonderful grandchildren. They also live with a mischievous beagle and a demon black cat.
