I am going to laminate it so as to make it sturdier. Other than that it is perfect for my trip!0 of 0 people found the following review helpful. Not what was expected.By Doc CThe cover is beautiful....however, there is not much room on each page to write about the trip, as it is cluttered with YOUR interpretation of what belongs on each page. Very disappointing to say the least. However, I did not have time to return it to you prior to the trip. Sad experience for me.
