These twelve luscious photographs evoke the sunlit charm and rolling hills of the old world Tuscan countryside. If you've not been there, this calendar will inspire you to go; and if you have been there, it calls for your return. The large format features big daily grids with ample room for jotting appointments, reminders, and birthdays. Also included are six bonus months of July through December 2016; moon phases, and U.S. and international holidays.

About the Author Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of

popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.
