Richard Guise : Two Wheels Over Catalonia: Cycling the Back Roads of North-eastern Spain before purchasing it in order to gauge whether or not it would be worth my time, and all praised Two Wheels Over Catalonia: Cycling the Back Roads of North-eastern Spain:

Sixteen years after first moving to Catalonia, travel writer, Richard Guise, finally finds time to slow down and explore the back roads by bicycle

"Touched with humorous and historical anecdotes along the way, Guise's journey offers readers an informative and light hearted read as he navigates his way through both the Mediterranean terrain and the quirks of his Spanish counterparts." Living Spain
