Herbert Howard : Ultimate Island Travel: Galapagos Islands by Herbert Howard (2015-02-05) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ultimate Island Travel: Galapagos Islands by Herbert Howard (2015-02-05):

1 of 1 people found the following review helpful. All the data therein could easily be found on any Galapagos siteBy Jana21This is a worthless pamphlet. 74 pages with open space and large type that could have been printed on 10 pages with room to spare! All the data therein could easily be found on any Galapagos site. \$17 dollars-you have to be kidding-not worth \$1.70!!!!
