However, I am a visual learner and would benefit from more charts and visual depictions of some of the concepts addressed in this program. Excellent, otherwise. 0 of 0 people found the following review helpful. NO CD/AUDIO By Scarlet Saoirse I'm not sure how the lessons are just yet but I bought 2 of these books one for me and a friend there are no CD'S in either book. ! 1 of 1 people found the following review helpful. good By suzee good in my Italian class

Ultimate Italian has everything you need to learn Italian from scratch or to revive the Italian that you learned years ago. This course combines conversation and culture in an easy-to-follow, enjoyable, and effective format. It's the perfect way to learn Italian for school, travel, work, or personal enrichment. Ultimate Italian Beginner-Intermediate includes: 40 lessons in a comprehensive 416-page textbook: Each lesson contains a lively and authentic dialogue, vocabulary, grammar and usage, step-by-step character writing, cultural highlights, and plenty of practice. The first ten

lessons also include special pronunciation sections that will have you speaking right from the beginning. The book also contains review sections, readings, supplemental vocabulary sections, appendixes on essential Italian grammar, and a Italian-English/English-Italian glossary. 8 hours of recordings with an ingenious two-step approach: Learn at home: Listen to the first set of recordings as you follow along in your textbook. Immerse yourself in Italian while you listen and repeat with the all-Italian recordings, and learn conversation, grammar, vocabulary, and more. Learn on the go: Then practice, review, and expand upon what you've learned with the second set of recordings. An instructor will guide you through each lesson, and since no reading is required, you can listen in the car, on the train, at the gym anywhere!

About the Author Living Language has been a proven and effective language learning instruction for over 65 years. Using techniques originally developed for the US State Department, the Living Language Method follows a four point approach from building a foundation of essential words and phrases, advancing to full sentences and conversations, practicing with recall exercises aimed at both short and long term memory and developing practical language skills to equip the learner in any situation. Living Language is an imprint of Random House LLC, a Penguin Random House Company.
