It jumps right in and gives you the basics of pronunciation and the building blocks to grammar, just as one might expect. If you already speak Spanish you will be amazed how similar written Portuguese is to Spanish, but how different it sounds. The "learn at home" CDs are great for learning the basics of the written word, and the "learn on the go" CDs are perfect for the car and developing an ear for the language. Well worth the price.0 of 1 people found the following review helpful. Exactly what I hoped for....By Rick WingenderCame with CDs and a book. I'm listening in my car. I don't think you could learn Portuguese by using this product exclusively, but it is an excellent resource that I'm glad I

bought. 0 of 3 people found the following review helpful. Terrible Book/CD Set By Antone Gonsalves First of all, I wanted European Portuguese and the book and CDs favor Brazilian Portuguese. This distinction is not spelled out on the packaging. Even worse, the CDs I received are not close to following what's in the book. Buy this package only if you want to get screwed.

Ultimate Portuguese has everything you need to learn Portuguese from scratch or to revive the Portuguese that you learned years ago. This course combines conversation and culture in an easy-to-follow, enjoyable, and effective format. It's the perfect way to learn Portuguese for school, travel, work, or personal enrichment. Ultimate Portuguese Beginner-Intermediate includes: 40 lessons in a comprehensive 416-page textbook: Each lesson contains a lively and authentic dialogue, vocabulary, grammar and usage, step-by-step character writing, cultural highlights, and plenty of practice. The first ten lessons also include special pronunciation sections that will have you speaking right from the beginning. The book also contains review sections, readings, supplemental vocabulary sections, appendixes on essential Portuguese grammar, and a Portuguese-English/English-Portuguese glossary. 8 hours of recordings with an ingenious two-step approach: Learn at home: Listen to the first set of recordings as you follow along in your textbook. Immerse yourself in Portuguese while you listen and repeat with the all-Portuguese recordings, and learn conversation, grammar, vocabulary, and more. Learn on the go: Then practice, review, and expand upon what you've learned with the second set of recordings. An instructor will guide you through each lesson, and since no reading is required, you can listen in the car, on the train, at the gym anywhere!
