**Sharlene Nelson, Ted Nelson : Umbrella Guide to Exploring the Columbia River: By Road and by Water**  
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Umbrella Guide to Exploring the Columbia River: By Road and by Water:

0 of 0 people found the following review helpful. interesting information By Alaska Annie This is a nice little book that has some very interesting things. It did not satisfy my needs. I was looking for a 'mile-by-mile' guide that would show

points of interest as one cruised the Columbia and Snake Rivers.6 of 6 people found the following review helpful. 465 Miles of BeautyBy A CustomerFrom the Columbia's mouth on the Pacific to the rock-trimmed canyons of the Lower Snake River, the Columbia-Snake River Inland Waterway is 465 miles of spectacular scenery and historic attractions. Authors Sharlene and Ted Nelson take you to the most interesting and beautiful places along the river, offering anecdotes and stories as well as information about driving, cruise ships, boating, and accommodations. Includes photos and maps.
