Touring Club of Italy : Umbria: Perugia, Terni, Assisi, Gubbio, Orvieto, Spoleto, and Lake Trasimene with Detailed Road and City Maps before purchasing it in order to gauge whether or not it would be worth my time, and all praised Umbria: Perugia, Terni, Assisi, Gubbio, Orvieto, Spoleto, and Lake Trasimene with Detailed Road and City Maps:

0 of 0 people found the following review helpful. Best Book of UmbriaBy B. SanchezThis is by far the best book of Umbria I have found.2 of 2 people found the following review helpful. The Heratage Guide UmbriaBy John C.We used the book as our #1 carry-on reference in Umbria this year. Its light weight and small size make it easy to tuck into carry-on baggage. The book is a little more detailed than the Eyewitness guide. It has larger print and fewer pictures (usually 1 picture / page), which makes reading the text easier. The maps were excellent. If I were limited to carry only one book to Umbria, this would be it.17 of 17 people found the following review helpful. Excellent maps of each townBy A CustomerThis is a very useful guide when visiting the many hilltowns in Umbria. There are excellent maps of each town, and good written descriptions. Using this guide book it is easy to keep one's bearings. The size of the

book makes it easy to carry as well.
