**MAGELLAN : United States History Atlas** before purchasing it in order to gage whether or not it would be worth my time, and all praised United States History Atlas:

An invaluable collection of clear and attractive historical maps, the **MAGELLAN Geographix United Sates History Atlas** is a handy, useful reference for any student of U.S. History. Each map has been designed by Ed Easton's terrific staff to be colorful, easy-to-read, and informative, without sacrificing necessary detail or accuracy. The carefully selected maps provide comprehensive coverage for the major historical periods in American history. Whether you study each map in detail or glance through the atlas for an overview, you'll enjoy this useful and well-designed portrayal of the ever-changing historical heritage of the United Sates of America.
