John Harrison : Up the Creek: An Amazon Adventure (Bradt Travel Guides (Travel Literature)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Up the Creek: An Amazon Adventure (Bradt Travel Guides (Travel Literature)):

0 of 0 people found the following review helpful. EngrossingBy NailsA very interesting look at what an adventure or misadventure can offer up. The book chronicles the extreme work, weather related problems, and diseases that Harrison encountered in this unusual canoe undertaking. That he and his partner even survived is amazing.

The adventure story of an extremely hazardous canoe trip taken just for the hell of it up one of the more obscure tributaries of the Amazon. Harrison's tale is compelling, full of suspense, humor and wonderful descriptions of Amazon wildlife, all told in down-to-earth unpretentious language with disarming honesty. His quest is ambitious, exciting and, ultimately, flawed.

The style is the man: randy and rumbustious but never out of control. An admirable book by an admirable man who exposes himself mercilessly. The Daily Telegraph
