Uruguay and Paraguay 1:1,200,000 Travel Map, waterproof, GPS-compatible, REISE This map is waterproof and tear-resistant, highly suitable for tropical conditions, double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information. Each country is on one side of the map, with the Uruguay side extending north beyond Asuncion and the Iguazu Falls. Topography is shown by altitude colouring with contours, spot heights, and graphics for marshlands. National parks and protected areas are highlighted. Road network includes local dirt tracks, indicating driving distances on main and many secondary roads and showing locations of petrol stations. Railway lines and local airfields are also marked. Internal administrative boundaries are shown with names of the provinces. A wide range of symbols highlights various places of interest, including UNESCO World Heritage sites, archaeological remains, selected hotels and campsites, beaches, etc. The map has a latitude and longitude grid at intervals of 1. The index includes a list of national parks and other protected

areas. Map legend includes English.
