**From Brand: Lonely Planet : Uruguay (Lonely Planet CUSTOM Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Uruguay (Lonely Planet CUSTOM Guide):

5 of 5 people found the following review helpful. Better than Fodors By Gary ---I had a hard time finding a comprehensive travel guide of Uruguay. The Fodors Guide of South America only focuses Montevideo, Punta del Este, and Colonia de Sacramento. This Lonely Planet guide focuses on many small interesting towns - and gives a

much better overall view of things to do in the country. An added plus was that it includes in-depth information about Buenos Aires, Argentina. It's right across the Rio Plata - and a good add-on to a trip to Uruguay. So if you're thinking of going there, too - you only need to buy this one book!

0 of 0 people found the following review helpful. Simple, clear and useful.

By Edward D and FamilyI got the book in prime condition, and on time. As usual with Lonely Planet books, it contained ample info on country, do's and don'ts, and maps for the necessary places to go to, and general payment info on hotels and restaurants. It was like having a tour guide in your hand. I wouldn't expect more from a simple book like this one.

2 of 2 people found the following review helpful. part of the out of print LP Argentina guidebook!

By The WizardThis Lonely Planet "Custom Guide" is really the Uruguay and Buenos Aires sections out of the LP Argentina guidebook, August 2008 (now out of print, having been replaced by the September, 2010 edition). It costs \$14.99 + shipping, as opposed to \$17.15 + shipping for the new LP Argentina guide. It says so on the front piece, but not in the listing. If I had known this I would have gotten the whole Argentina guide.

The first ever Lonely Planet guidebook was stapled together at a kitchen table. We're keeping that spirit alive with CUSTOM guides - sections of our most popular books combined to fit your trip.

Uruguay Uruguay is delightfully low-key and surprisingly diverse, but you won't find a guidebook for it - until now. This custom guide, made up of chapters selected from Lonely Planet's Argentina guidebook, covers Uruguay, including cosmopolitan Montevideo and the wilder outer reaches. We've also included buzzing Buenos Aires because, let's face it, you're in the area already why not take in the BA blend of old-world languor and contemporary attitude? Sound like your kind of thing? Then this is the CUSTOM guide for you. This book includes: Maps and detailed information to help you explore every corner of Uruguay Chunky coverage of Buenos Aires: where to stay, where to eat, what to see A language chapter that covers all the essential travel phrases in Argentine Spanish Health information including recommended vaccines

This CUSTOM guide is made up of the following chapters: Uruguay Argentina 6th edition, Aug 2008 Buenos Aires Argentina 6th edition, Aug 2008 Language Argentina 6th edition, Aug 2008 Health Argentina 6th edition, Aug 2008
