Map of Uruguay Montevideo By Deanne E Gaalswyk This item was exactly what I was looking for. This map will help make our trip enjoyable, since we will be able to find our way around. I am glad that I was able to find such a quality map. 1 of 1 people found the following review helpful. Excellent general purpose map By D. P. Williams For a map of a country, this is as good as it gets...and what I expected. For detail you will need an area map, but this will do it for you if looking for an overview and relationships of different points.
