4 of 4 people found the following review helpful. Very bad map!By S. LiVery bad map!!! Too much wrong. Lots of famous national parks are not on it. This map should be recall. But the publisher has not done this thing.Ex. Arches national park is not on it, Bryce national park is not on it. The route 63 is not on it. Why www.itmb.com publish this map? , please recall this map, please!!!!

Printed in water proof paper. Printed in sides. Included California, Nevada, Arizona and Utah.
