National Geographic Maps - Reference : Utah [Tubed] (National Geographic Reference Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Utah [Tubed] (National Geographic Reference Map):

0 of 0 people found the following review helpful. I love the design of this mapBy CustomerI love the design of this map. It has enough details, but it's not a chaotic mess of names. Well done.0 of 0 people found the following review helpful. Beautifully madeBy KyligirlBeautiful muted colors and very detailed and durable. We are studying Utah and this map was perfect.0 of 0 people found the following review helpful. Three StarsBy Lorithe map was crinkled

Explore the diverse and iconic landscapes of Utah with this striking National Geographic wall map. From the Bonneville Salt Flats and the Great Salt Lake to the Uinta Mountains and the extraordinary parks along the Colorado

Plateau, the state is rendered in dramatic detail. Stunning shaded relief and vibrant colorization depicts mountain ranges, forests, deserts, canyons, and other physical topography. Prominent peaks, major lakes, rivers, and reservoirs, and other geographic features are highlighted. In addition to hundreds of place names, this map includes the locations of cities, major roadways and railways, airports, military bases, national and state parks, and recreation areas. Part of a growing series of State Wall Maps, this expertly designed map makes an attractive addition to any office or study. The map is packaged in a two inch diameter clear plastic tube. The tube has a decorative label showing a thumbnail of the map with dimensions and other pertinent information. Map Scale = 1:700,000 Sheet Size = 30.25" x 40.5"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
