A regional map, insets of Victoria and Granville Island, and information about the city, points of interest, Stanley Park, and Victoria and Vancouver Island are featured on the front side of the map. Individual maps of the Translink System and Vancouver International Airport will help you navigate the transit terminals to more quickly and efficiently access your desired destinations.A detailed street map of the city is shown on the reverse side, complete with an inset map of the Lower Mainland. Points of interest, theaters, monuments, hotels, churches, parks, visitor information centers, and pedestrian areas are clearly marked and easy to find with the multi-language legend. The location of SkyTrain (light rail), West Coast Express (regional train), and Seabus stations, as well as parking areas are particularly useful in exploring Vancouver and its environs.Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:13,700Sheet Size = 17.75" x 24.75"Folded Size = 4" x 8.75"
