**Kathleen Hill, Gerald Hill : Victoria and Vancouver Island: A Personal Tour Of An Almost Perfect Eden (Hill Guides Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Victoria and Vancouver Island: A Personal Tour Of An Almost Perfect Eden (Hill Guides Series):

0 of 0 people found the following review helpful. Good HistoryBy RLLIt has not been updated for a while, which is a

problem in that much of the book covers restaurants, lodging, and other travel facilities. I was disappointed that it did not have good road maps outside of Victoria. And none of the some \$40 I spent on this book and maps showed that there has been a paved road from Port Renfrew to Lake Cowichan - and for the last seven years! The history of Vancouver Island was really good, and museums and cultural landmarks were informative.0 of 0 people found the following review helpful. While it is still useful and interestingBy Margaret C.Definitely outdated now. While it is still useful and interesting, many of the attractions, shops, and eateries described are now closed. I'm using it with google and yelp to make updated notes of my own. Anyone relying solely on the book with be very disappointed.1 of 1 people found the following review helpful. This is an excellent guide !By Gene WilliamsThis guide is full of very helpful information and suggestions. I have looked at a variety of other books about the region and none have provided the sort of useful guidance that I found here. This is a first-rate publication -- that deals with a first-rate place.I rarely comment on other reviews (everyone has a right to an opinion) but, for the life of me, I fail to see any offensive "smugness" in this guide. The authors are enthusiastic about Victoria and Vancouver Island (as they should be) and they write in a witty and engaging fashion; I fail to see how that translates into anything objectionable.

This guide features the very best of Victoria and Vancouver Island--the region's excellent restaurants, interesting wineries, and unique shops.

"The hills jam-pack their guide with 'you are there' details, photos, pen-and-ink sketches, and even . . . recipes from their favorite island friends and chefs."--Northwest Palate (Portland, Ore.)
