National Geographic Maps - Adventure : Vietnam South (National Geographic Adventure Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Vietnam South (National Geographic Adventure Map):

4 of 4 people found the following review helpful. DurableBy Lisa ErskineIt is made from a thin plastic which makes it durable, rip resistant, won't fall apart in the rain and long lasting. It is easy to read and understand. I like it. It is much better than a paper map.1 of 1 people found the following review helpful. Great upgrades to help you navigate through this beautiful countryBy brian d ahoThis is a great replacement for a map of Vietnam that I have been using for the last seven years. I'm real happy with the upgrades like its waterproofing and non tear able folds. I've noticed that more names of towns and villages are listed which helps me keep closer track of my travels. This map can never replace the companionship of my previous one, but I rank it high for trying.0 of 0 people found the following review helpful. Five StarsBy WJBookBoyExcellent, detailed map of the country. Permitted me to locate many places of interest.

Waterproof Tear-Resistant Travel MapNational Geographics Adventure Map of Vietnam South is an invaluable tool for travelers seeking to explore the vibrant beauty of a land known for its scenic river deltas, terraced paddy fields, striking pagodas, and sleek skyscrapers. Designed to meet the needs of adventure travelers with its detailed, accurate information, this map includes the location of cities and towns with a user-friendly index and a clearly marked road network complete with distances and designations for roads, plus secondary routes for those seeking to explore off the beaten path. Specialty content to include hundreds of diverse and unique recreational, ecological, cultural, and historical destinations, make this map invaluable to travelers hoping to experience all the attractions the country has to offer. Beaches, harbors, and areas popular for diving and snorkeling dot the extensive coastline. Other recreational destinations such as temples, caves, hot springs, World Heritage sites, and casinos are included as well.The front side of the print map details the lower central region of the country, from its border with Laos and Cambodia to the west, to the mouth of the Gulf of Tonkin to the east. The reverse side of the map details the southern region, from its border with Cambodia to the west, the South China Sea to the east, to the Gulf of Thailand to the south. Wherever your travels take you in the region, you'll appreciate the variety of helpful travel aids on this map as well, including the location of airports, airfields, railways, and ferry routes.Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel.Map Scale = 1:650,000Sheet Size = 25.5" x 37.75"Folded Size = 4.25" x 9.25"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
