Doesn't have all the words, but this dictionary does have the most useful and common words. If a dictionary for more words is needed, I recommend Thay Bac's other dictionary.Also, Thay Bac is one of the best teachers ever!0 of 0 people found the following review helpful. It is necessary to own this Vietnamese-English English-Vietnamese Dictionary ...By Nocontact2017nhannhucyeudoIt is necessary to own this Vietnamese-English English-Vietnamese Dictionary Phrase, especially for new comers. It is being put on a reference shelf at the Seattle Public Library where I am working at. I find it very helpful, so I bought this for my niece and nephews as reference dictionaries when they first came to America three years ago.0 of 0 people found the following review helpful.
