I have to admit that I have been intimidated by the thought of actually going though. With all the languages that are spoken and the knowledge that it will be vastly different than anything I have ever experienced

before, how could I not be intimidated? After reading this book, I feel that I should be able to travel there and be comfortable on a budget! I no longer feel intimidated. I found this book during a limited time offer. I received it in exchange for my honest and unbiased opinion. 0 of 0 people found the following review helpful. Opened my eyes By JBI have a couple friends that love traveling and they always think out of the book. Coming across this book I had to get it so I could find some tips to see if it was worth mentioning to my friends about visiting. The culture over there is so different then ours and it seems so cool so I've passed this information in the book onto my friends. 0 of 0 people found the following review helpful.
