Paula Newton, Karen Hartburn, Margaret Rode : VIVA Travel Guides Bolivia before purchasing it in order to gauge whether or not it would be worth my time, and all praised VIVA Travel Guides Bolivia:

3 of 6 people found the following review helpful. Not Very Current By Allan Drucker I travel more than 200 nights per year, on business and pleasure, and this is the poorest guide I have ever purchased. Each section has a date of last update and many are more than two years old. This is not a current guide. I live by DK and Insight but I am sorry to say that none of the "real guide publishers" market a guide for Bolivia. My recommendations would be to skip this

guide and use the Internet.
