several guides I bought before my 2012 trip to Peru. It was okay, but honestly, for the money the Lonely Planet Peru has much more detailed and useful information. I gave this to my friend and I used the Lonely Planet. 1 of 1 people found the following review helpful. Dont waste your time or money. By George Allaria Was a waste of \$15.00...Not many photos, describes places to eat, but doesnt tell you how to get there or the price range. Very general guide book...you will do much better with the INSIGHT Guide, which I bought after reading this one.. :- (0 of 0 people found the following review helpful.
