From Phaidon Press : Wallpaper* City Guide Buenos Aires 2012 (Wallpaper City Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wallpaper* City Guide Buenos Aires 2012 (Wallpaper City Guides):

1 of 1 people found the following review helpful. Cursory ViewBy pshayNot as billed. The content is more like a hotel room 'paid by advertiser' book than an insider guide. Lots of over the top high end places. Nothing for us proles!

Wallpaper* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.

'What's cool about Phaidon Press' Wallpaper City Guides is that they're small enough to fit in a purse or backpack, and colorful enough to find amidst all the other stuff crammed in there. What's even cooler is that they cut through all the regular travel-brochurese and focus on the edgiest nightclubs, restaurants, hotels, gyms, spas and stores.' Sky-Delta Airlines 'Ultra-stylish.' Time Magazine 'Attractive and well-researched.' USA Today 'No ordinary range of city guides - for the business traveller who wants to break free from their hotel - For anyone who relishes an alternative view of life' Royal Wings 'Don't just paint the town, Wallpaper it.' Cara (Aer Lingus in-flight magazine), September 2006 'While the pocket-sized guides will look very slick lined up on a shelf, they're made for travelling.' Easyjet 'Concise, informative manuals from people who've actually been there. They're refreshingly devoid of details on the nearest backpacker's hostel, too. And they look very pretty.' Esquire 'Sophisticated but simple.' The New York Times 'Sparkling images and convenient format' Frame 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine 'For a different way to see a city, they're damn near indispensable.' Gay Times About the Author Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.
