**Editors of Wallpaper Magazine : Wallpaper\* City Guide Caracas (Wallpaper City Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wallpaper\* City Guide Caracas (Wallpaper City Guides):

0 of 0 people found the following review helpful. beautiful book By Cedric Laval I am very impressed with Phaidon City Guides, the images are simply great, and I love the size of the book. It is NOT a travel guide but rather a picture book, with very unique and interesting photos and small bios of locations and/or places to see and go. Planning to keep adding some more to my collection.

Wallpaper\* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.
