No central map to show where places are located, descriptions of places are limited to just a few lines and the pictures take up too much of the pages. The books are rather showy with little to tell. Wallpaper City Guides should be more practical than they are.0 of 0 people found the following review helpful. Very useful By ANN PETERSEN Nice little travel book

"Wallpaper* City Guides are a ruthlessly researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer."

About the Author Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.
