From Phaidon Press : Wallpaper* City Guide Santiago before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wallpaper* City Guide Santiago:

1 of 1 people found the following review helpful. Blah...By M. Osorno Purchased this guide to get ideas and tips for my trip to Santiago, Chile. Most of the recommendations were for extremely pricey hotels and restaurants. This is NOT for budget (or reasonably priced) travelers. I did not find this travel guide useful and honestly it was a waste of money. I would suggest sticking with Lonely Planet or Frommer's guides. They have a better balance and itineraries of various prices to meet the needs of most travelers.

Wallpaper* City Guides are a ruthlessly-researched, design-conscious guide, for the discerning traveller who wants to come away with a true taste of the best a city has to offer.

'The answer to every short-breaker's dream. The jewel-coloured guides look beautiful and are exquisitely designed.' The Times 'Gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'Packed with insider knowledge and eye-catching photography.' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine About the Author Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.
