Neville Peat : Wanaka: The Lake Wanaka Region (Catlins) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wanaka: The Lake Wanaka Region (Catlins):

Wanaka is a gem. In summer, visitors outnumber the resident population by as many as ten to one as boating, fishing, climbing, walking and cycling absorb large numbers of holiday makers into the terrain. In winter, snowboarders and skiers gather to take advantage of snow capped peaks.

About the Author Neville Peat is a Dunedin-based writer and photographer, and the author of numerous guides to southern New Zealand natural features and attractions, including Catlins and Stewart Island in this series.
