FelderLove the Gasetteer-- Had one in my truck for years. It disappeared when I moved and this is a replacement. It's reassuring to have the detailed maps back on board!0 of 0 people found the following review helpful. Perfect buyBy BirderBobWe're big DeLorme fans and have been for many, many years. There's nothing like holding a map in your hand, and these are very good maps, except the ringers bug me.
