Larry Blair : Wave-Finder UK Ireland before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wave-Finder UK Ireland:

This is a 'where-to' surfing guide for the UK and Ireland. It is a UK and Ireland's most comprehensive surf resource with over 1,000 spots reviewed by the locals. It includes: 500 Surfer's Eye maps and colour photos by top lensmen; detailed tide, wind, wave and swell data; and precise and easy directions. This pocket guide covers the best spots in

England, Channel Islands, Wales, Scotland and Ireland.
