Ed Rehbein, Randall Sanger : West Virginia Waterfalls: The New River Gorge before purchasing it in order to gage whether or not it would be worth my time, and all praised West Virginia Waterfalls: The New River Gorge:

0 of 0 people found the following review helpful. A good synopsis of numerous local waterfallsBy wvoldguyA good synopsis of numerous local waterfalls, with many images and directions to the sites. Some of these falls I had never heard of, and some of them require serious physical exertion to reach. Good luck on your own quests!1 of 1 people found the following review helpful. Great bookBy Scott AbbottThis is just a great book. The photos are beautiful, the stories behind the photos are entertaining, and the authors have even included a pullout with maps and GIS coordinates so you can find these beautiful locations yourself. I've already started following in their footsteps.3 of 3 people found the following review helpful. wonderful waterfall bookBy Douglas D McMillenbeing a waterfall hunter and a photographer, I have bought a lot of waterfall books, and I can say this is an absolutely wonderful book! It works in two ways. One is that it's a great large coffee-table type book full of beautiful photos. Two is that it provides

descriptions (and GPS) coordinates on how to get to the falls if you get inspired by the photos to go see them yourself (as I will be this spring). A well-done waterfall book, and I wish all of them were as nicely done as this!

WINNER USA Book News Best Book Awards--Best Nature Photography Award Winning Finalist International Book Awards Best Nature Photography San Francisco Book Festival Honorable Mention More than 100 waterfalls grace the cliffs and canyons of the New River Gorge and its tributaries. This book invites you to savor this untapped wealth of beauty in two enjoyable ways by viewing photographs of these waterfalls and by experiencing them for yourself. Photographers, hikers, and nature lovers Ed Rehbein and Randy Sanger have photographed some of the most beautiful places in the New River Gorge, plus--provided maps and information on how to visit each waterfall yourself. The pull-out hiking guide will keep you on the path to your own Appalachian adventures!

The New River Gorge is such a beautiful place that it is often said photos don't do it justice. This photography certainly does. Ed Rehbein and Randy Sanger have successfully captured not only the beauty of these waterfalls, but the emotion and the majesty they impart. These two avid hikers have also provided all the information necessary should one want to experience any of these locations firsthand. Their book is a combination of breathtaking photography and informative yet succinct details. It belongs on the coffee tables of outdoor enthusiasts and fine art lovers everywhere. --Audrey Stanton-Smith, Former Editor, West Virginia South Magazine Every one of all ages can appreciate the sheer beauty of one of nature's most delicate and breath-taking works of art, the waterfall. It wasn't until I experienced these glorious masterpieces through the pages of West Virginia Waterfalls: The New River Gorge that I could truly appreciate the natural beauty of the Mountain State. The captions bring a vivid experience through the personal thoughts of the photographers as they make their way through the wilderness to the falls. I could feel their heart-pounding anticipation as they began shooting the photographs. This book captures the whole experience of visiting these falls without leaving home! I, for one, must dust off my hiking boots and get going! --Karen G. Lilly, Gallery Director, Cynthia Bickey Art Gallery Readers of Wonderful West Virginia magazine know the hallmarks of an Ed Rehbein outdoor adventure story: writing that conveys a deep reverence for nature and stunning photography. In this beautiful book, Ed and fellow photographer and nature lover Randall Sanger give readers not only breathtaking images of waterfalls but engaging and lyrical anecdotes about how they discovered and captured the views. Their stories of slippery slopes and treacherous descents are nearly as breathtaking as the falls! This rare volume, truly a labor of love, will soon have you packing a lunch and heading off to the New River Gorge. --Sheila McEntee, Editor, Wonderful West Virginia Every one of all ages can appreciate the sheer beauty of one of nature's most delicate and breath-taking works of art, the waterfall. They met in Elkins, spent a couple of years in Morgantown, and have lived in Beckley for 24 years. They enjoy living in southern West Virginia because of all the opportunities to hike and experience the outdoors in nearby State Parks, the New River Gorge, and National Forest Lands. He and Phyllis hike every chance they get. Ed is a

juried fine arts photographer at Tamarack and MountainMade, WV. His articles and photographs appear regularly in Wonderful West Virginia and West Virginia South magazines. His work has appeared in the following Juried Art Shows: The Best of West Virginia 2009 2010, Dickirson Fine Arts Gallery, Tamarack, WV; American Art Today 2009, The Bascom, Highlands, NC; and Inspired: A West Virginia Juried Exhibition, Landscapes, 2010, State of West Virginia Culture Center, Charleston, WV. Articles written by Ed for Wonderful West Virginia have won three national awards from the Association for Conservation Information For over twenty years Randall has dedicated himself to photographing the natural wonders of West Virginia. He has long been fascinated and captivated by waterfalls, and is most passionate about locating and photographing the numerous waterfalls that are within the realm of the New River Gorge and Potomac Highlands. Randall is a juried fine arts photographer at Tamarack - The Best of West Virginia, located in Beckley and MountainMade, located in Thomas. His work has appeared in the Juried Art Show: The Best of West Virginia 2010, Dickirson Fine Arts Gallery, Tamarack. His work is also in private and corporate collections and has been used for marketing and corporate recruitment. Randall was selected as Photographer in Residence for the Canaan Valley National Wildlife Refuge for the month of June, 2010. He resides in Williamson with his wife Melissa and his trusty hiking companion Rocky, their mixed-breed dog.
