Rand McNally : Westchester Putnam Counties Street Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Westchester Putnam Counties Street Guide:

Sometimes the GPS is not enough and you really need to see the 'big picture'!0 of 0 people found the following review helpful. Modern, visually appealing, informative, detailedBy SDWOrdered this and the Hagstrom Westchester Map. I tossed the other one because this was much more detailed, showed everything I needed to see and more. The quality is sturdy and it has a laminated cover. The graphics are pleasant and modern and I wouldn't hesitate to buy another one of these for other counties/states.1 of 1 people found the following review helpful. Three StarsBy JOHN DE BELLASok
