Alex Robinson : Western Brazil Handbook: Iguacu - Amazon - Pantanal (Footprint - Handbooks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Western Brazil Handbook: Iguacu - Amazon - Pantanal (Footprint - Handbooks):

0 of 0 people found the following review helpful. Five StarsBy Renato SampaioI've been planning my trip to the and

the Pantanal and this book has been extremely helpful. 2 of 2 people found the following review helpful. Very good details on the Pantanal. By jpcmpls Very good details on the Pantanal, which is hard to come by. Better for Pantanal than Lonely Planet Brazil. Recommended.

Home to the world's grandest waterfall, the finest wildlife-viewing area in the Americas, and the mighty Amazon, Western Brazil is a vast, dramatic and spectacular destination. From the lush and thunderous Iguacu Falls, to spotting ocelots, macaws and anacondas in the Pantanal, to the best ecolodges in the rainforest, this Handbook will help you pick the most rewarding places to discover in this diverse region.

About the Author Alex Robinson is an award-winning writer and photographer based in London. He was runner up in the Friends of the Earth International Photography Award in 2007, won a Brazilian Press Award for the anniversary edition of Latin America's travel magazine Viagem e Turismo and a US National Magazine award as part of the Fall 2006 edition of Departures Magazine. He has worked with numerous magazines, publishers and broadcasters, including Departures, Budget Travel, National Geographic, the Financial Times, Wanderlust, the Discovery Channel, Al Jazeera and the BBC.
