Version was too oldBy jane barishI guess it was buyer beware . The version is from the 1980s . It is somewhat helpful but many roads have changed since then out here in the hills.1 of 1 people found the following review helpful. Street Atlas Western MassBy MARGUERITE DESANTISFor the money, this was a terrific Atlas because it has the directory search guide on the page or next to the page of the actual map so you do not have to shuffle through the back of the book...However, since it was a bit old, some newer sites were not included but, generally it was an excellent atlas.
