William L. Bailey, Bill Bailey, Jim DuFresne : What's Cheap Free in Michigan (Glovebox Guidebook) before purchasing it in order to gauge whether or not it would be worth my time, and all praised What's Cheap Free in Michigan (Glovebox Guidebook):

I've passed around my copy to family members so many times that it is falling apart. We've made notations next to the things we have been to with our thoughts (like was it worth it or a waste of time) so that others who borrow the book can see where to go. I paid full price for this back in

1998 and it has been well worth it. 1 of 3 people found the following review helpful. What Junk! By A Customer I can't believe I got suckered into buying this book! Everybody in it paid the authors to be in the book. When I went to get my money back they had already left town!
