**National Geographic : Where the Locals Go: More Than 300 Places Around the World to Eat, Play, Shop, Celebrate, and Relax** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Where the Locals Go: More Than 300 Places Around the World to Eat, Play, Shop, Celebrate, and Relax:

0 of 0 people found the following review helpful. Insight into Local Cuisine By L. Poulin I enjoyed this book. To get into the culture of each location by food is magnificent and satisfying. I wish it covered more cities. The recommendations are delightful too. I already have some marked for the future, when I visit some of the locales. 0 of 0 people found the following review helpful. this was a gift for a friend By Robin Boyd My friend, Marge who travels a lot, said she refers to this book, before she leaves for her vacation. I look thru it myself, before, I mailed it, it really is a

great gift.0 of 0 people found the following review helpful. Fun addition to travel informationBy Barbara Andrethis is a general information book on local festivals, products and recreation. Not a lot of specifics, but a nice addition to my pre trip information gathering.

For many, the joy of travel is often an authentic, immersive experience of the local culture. Here, National Geographic's insider tips offer a unique look at the places and activities around the world that captivate the residents--from regional festivals, undiscovered local restaurants, and lesser-known art galleries, to quiet places to sit and watch another world stroll by. A bonus chapter features in-depth experiences in the top 15 greatest cities. This book goes beyond Internet basics to ensure rewarding and memorable travel for those who crave a deeper understanding of a country and its people. When in Rome, they say, do as the Romans do. Discover the soul of a place through a chance encounter, a kind word, or an unparalleled tip from a local. In *Where the Locals Go*, you'll find hundreds of authentic, beautifully photographed travel experiences, complemented with nuggets of entertaining and insightful text informed by locals. Now, you, too, can join the locals in Venice on their evening passeggiata; mingle with the crowds at sunset on Juhu Beach in Mumbai; sample some of France's best cheeses in the Alpine town of Annecy; and walk the ancient peak-to-peak pilgrimage on Japan's Kunisaki Peninsula. This book will inspire you to make your next trip a truly authentic travel experience.

About the AuthorNATIONAL GEOGRAPHIC is one of the worlds leading nonfiction publishers, proudly supporting the work of scientists, explorers, photographers, and authors, as well as publishing a diverse list of books that celebrate the world and all that is in it. National Geographic Books creates and distributes print and digital works that inspire, entertain, teach, and give readers access to a world of discovery and possibility on a wide range of nonfiction subjects from animals to travel, cartography to history, fun facts to moving stories. A portion of all National Geographic proceeds is used to fund exploration, conservation, and education through ongoing contributions to the work of the National Geographic Society.
