If this is at all like his other books, it will be a great read that is both practical and thoughtful. 0 of 0 people found the following review helpful. Should be an app instead. Use your phone. By E. Lalonde Good general info in the front, but too big to really carry around. 1 of 1 people found the following review helpful. Ride NYC By Vcliff This book is clear and concise giving the reader great bike rides in and around NYC. I would recommend it to any level of experience biker.
