John Howells : Where to Retire, 6th: America's Best and Most Affordable Places (Choose Retirement Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Where to Retire, 6th: America's Best and Most Affordable Places (Choose Retirement Series):

3 of 3 people found the following review helpful. Some Places have changed By Dennis P. Demarco This is not an up

to date read. I was excited to receive this book just to find out it was out-dated the information is old. Maybe 10 -15yrs ago this was true, but after checking prices now , I found out it was not correct information0 of 0 people found the following review helpful. Was not useful for meBy scrapgenieIt doesn't seem to be accurate anymore. I suppose I should have purchased a more updated version. The economic status of the areas seems off.The cost of living may not be depicted accurately in some areas for the current times.13 of 13 people found the following review helpful. hmm where do I want to retire?By Dianna A. HuetigThis book is fantastic, lets you know the weather conditions, cost of living,average temperature. Each town gives you ideas for entertainment and eating, what the locals are like. just a little peek at what life could be there. Covers coast to coast.

Find up-to-the-minute information on housing costs, recreation, climate, health care, and safety for more than 150 affordable, comfortable and stimulating retirement locations from the Pacific Northwest to Florida.

"This careful, detailed book should be required reading for any retiree considering moving to a better area You won't find a better retirement book than this one."--Robert J. Bruss, nationally syndicated real estate columnist (praise for a previous edition)
