Chris Gill, Dave Watts : Where to Ski and Snowboard 2000 before purchasing it in order to gage whether or not it would be worth my time, and all praised Where to Ski and Snowboard 2000:

An up-to-date guide to the winter sports of the Alps, the Rockies and the rest of the world. Includes over 1000 resorts with 400 in detail, covering all the facts the ski enthusiast needs. Objective reviews and resort ratings plus plans, photos and color piste maps make this guide an invaluable reference source.

"Clearly laid out...the guide I would choose is Where to Ski." -- The Independent "Excellent value for money...it has gone for user-friendliness, and been successful." (Ski Survey (Ski Club of GB)) -- Ski Survey (Ski Club of GB) "The best guide ever published...the serious skier's first choice" (Mail on Sunday) ""Clearly laid out...the guide I would choose is Where to Ski" (The Independent) "Excellent value for money...it has gone for user-friendliness, and been successful" -- Ski Survey "The best guide ever published...the serious skier's first choice." -- Mail on Sunday About the Author Chris Gill is the ex-editor of "Holiday Which?" and founding editor of "The Good Skiing Guide".
