Chris Gill, Dave Watts : Where to Ski and Snowboard 2013 before purchasing it in order to gage whether or not it would be worth my time, and all praised Where to Ski and Snowboard 2013:

0 of 0 people found the following review helpful. Comprehensive guide to world ski resortsBy Bill5Need a guide to overseas ski (and snowboard) resorts? This annually updated book has the major ones. If you're unsure as to where to go in Switzerland, Austria or France, this book will cover them all, mountain hut lunches to trail maps, scenery ratings, snow reliability, ski ability appropriateness, terrain parks and lodgings. Aimed at European audiences, it covers all the major resorts and includes shorter summaries of skiing/snowboarding in Spain, Croatia, Scotland and elsewhere. There are short summaries of smaller resorts in the back. Although it does cover some large U.S. resorts, it's not a ski guide to the USA (Taos, Steamboat Springs and Mad River Glen are all relegated to the back). But if you're going overseas,

this is the book.0 of 0 people found the following review helpful. Must have for people who want to know more about ski and snowboard resorts..By BMaps, reviews, terrain, trail maps, and other useful information for any snowboard or ski trip. Plus the information is not limited to North America has info on resorts all over the world. Next snow trip is gonna be awesome with the help from this book.0 of 0 people found the following review helpful. THE Source on where to go.By Walter D. EichensehrMy wife and I love skiing in the Alps, so we're always interested in keeping up with the latest on our favorite ski resorts. This guide not only does that supremely well, but also has encouraged us to try some new spots. Useful information, getting there, hotels, restaurants, child care, etc; and mountain statistics for those with adventure in their souls. Honest recommendations, love it!

'Where to Ski and Snowboard 2013' offers a guide to ski resorts and skiing. Whether you are a novice or a professional, this guide will provide all the information you need to choose a resort, including clear plans of the pistes.
