Stephen R. Bown : White Eskimo: Knud Rasmussen's Fearless Journey into the Heart of the Arctic (A Merloyd Lawrence Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised *White Eskimo: Knud Rasmussen's Fearless Journey into the Heart of the Arctic (A Merloyd Lawrence Book)*:

0 of 0 people found the following review helpful. Five StarsBy Cornelia EastVery interesting story about one of my

favorite subjects. Polar exploration and the people who do it. 0 of 0 people found the following review helpful.
Exceptional story, exceptionally well told. By The New Voltaire Extraordinary research, compellingly written. Concise, engaging, reads like a novel. Makes you wish you could have met Rasmussen, and would like to meet the author Bown. I felt both were kindred spirits with great compassion, shared values, and strong opinions about what makes life worth living--in any age. 0 of 0 people found the following review helpful. Five Stars By Stefan This is a great book ! Wonderful written ! I am now order his other book about Amundsen.

Among the explorers made famous for revealing hitherto impenetrable cultures T. E. Lawrence and Wilfred Thesiger in the Middle East, Richard Burton in Africa Knud Rasmussen stands out not only for his physical bravery but also for the beauty of his writing. Part Danish, part Inuit, Rasmussen made a courageous three-year journey by dog sled from Greenland to Alaska to reveal the common origins of all circumpolar peoples. Lovers of Arctic adventure, exotic cultures, and timeless legend will relish this gripping tale by Stephen R. Bown, known as "Canada's Simon Winchester."

"This compelling book is a marvelous tribute to an extraordinary explorer and the lands and peoples that made him great." Wade Davis, author of *Into the Silence: The Great War, Mallory and the Conquest of Everest*
About the Author Stephen R. Bown is the author of several critically-acclaimed, award-winning books on the history of exploration, science, and ideas. These include *Merchant Kings: When Companies Ruled the World, 1600-1900*, and *Scurvy: How a Surgeon, a Mariner, and a Gentleman Solved the Greatest Medical Mystery of the Age of Sail* and the biography of Roald Amundsen *The Last Viking*. The *Globe and Mail* has called him Canada's Simon Winchester
