Howard Tomb : Wicked Irish (Wicked S) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wicked Irish (Wicked S):

Four Stars By Mela Ansmith I'm a writer and include Irish components in my stories so this came in very handy. 14 of 14 people found the following review helpful. I'm Trying To Follow In Leopold Bloom's Footsteps. By Cherise Everhard I have been teaching myself Gaelic for the past year or so but felt my instruction was lacking something; where was all the slang? How could I possibly make it in Ireland

without knowing how to say that I've given up congealed blood for Lent, in Gaelic? What would I do if I was in a pub making eyes at a gentleman and couldn't tell him that I was spellbound by his deltoids, in Gaelic? How could I properly yell at a Dubliner without knowing to call him a Jackeen? Wicked Irish is a pocket sized little book and its 64 pages are filled with some hilarious phrases. It gives you pick up lines, things to say at a wake, in church, on the golf course or in the pub. Mixed in with all the fun and frivolity is an equal amount of useful Gaelic sayings, if you're inclined to try it out on the locals. Each word is phonetically written out so if you are not familiar with the language you will have no problem pronouncing the words. This book doesn't cost very much and the entertainment I have received from it was well worth the price and then some. One night after a few too many Guinness, my sister and I had a grand time reading through it and shouting insults at each other and our husbands; laughing the entire time. If anything, this book is a great conversation starter. Enjoy!

We paid a very small amount for this book. It is also a very small book. Smaller than I'd expected but the content was amusing. This was a part of a going away gift for someone who was moving to Ireland for a study program. It fit our needs perfectly. Very cute. Made us all smile and not expensive.

Master the gift of gab with the phrase book that makes Erin go ha!
From Dublin on Five Pints an Hour to Genuflection for Beginners, Wicked Irish helps visitors negotiate the nuances of a country where even trees are considered Protestant or Catholic. Learn to flatter customs agents: "Tis a grand machine you have there, officer!" Politely decline the heavy Irish breakfast: "I've given up pig entrails/congealed blood for Lent." Show appreciation for fine whiskey: "ACK ACK! Mother Mary! That goes down the nun's knickers!" There's even a special section just for golfers: "Should I replace divots in consecrated ground? Am I entitled to relief from this dolmen/ewe/leprechaun? Shite! I don't usually lose a putt in the wind." Wicked Irish is instant gift of gab, and soon you'll be toasting newfound friends, strangers, barmaids, and even stray dogs with confidence.

"Nil cleachtadh agam ar thonnta dha through deag ar airde i bhfiontar uisce." - I'm not accustomed to 12-foot breakers in a water hazard.
"An bhfuil na fothracha/liosanna thar teorainn?" - Are the ruins/fairy forts out of bounds?
"Ar choir dom scaithini a chur thar nais i dtalamh coisricthe?" - Should I replace divots in consecrated ground?
"An bhfuil faoiseamh ag dul dom on dolmain/gcaora/lurachan so." - Am I entitled to relief from this dolmen/ewe/leprechaun?
