Cheryl Strayed : Wild: From Lost to Found on the Pacific Crest Trail before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild: From Lost to Found on the Pacific Crest Trail:

#1 NATIONAL BESTSELLER At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mothers death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she

would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State and she would do it alone. Told with suspense and style, sparkling with warmth and humor, *Wild* powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her. NOW A MAJOR MOTION PICTURE One of the Best Books of the Year: NPR, The Boston Globe, Entertainment Weekly, Vogue, St. Louis Dispatch
