From New Mexico Wilderness Alliance : Wild Guide 2014 before purchasing it in order to gage whether or not it would be worth my time, and all praised Wild Guide 2014:

The annual Wild Guide, a 2013 finalist for guidebooks and travel in the Southwest Book Design and Production Awards, is your resource for information on things to do and see across New Mexico. This year's guide features nearly

30 hikes and service projects led by our staff and conservation partners. Join us in the wild Gila for a wolf backpack and wildlife watching trip or float with us down the Rio Grande or Rio Chama. From Las Cruces to Taos, we have the trip for you. This year marks the 50th Anniversary of the Wilderness Act, so we've featured an assortment of the state's wilderness areas alongside spreads about the history of wilderness in New Mexico, Aldo Leopold's legacy and a preview of the National Wilderness Conference taking place in Albuquerque this October.

"As in previous years, this guide is chock full of ideas and opportunities to help you explore the special wild places of the Land of Enchantment."-Mark Allison, NMWA Executive Director
About the Author
Tina Deines grew up in the Midwest and has degrees in journalism and Spanish from Kansas State University. She also has a graduate degree in mass communications research, and focused her coursework in environmental and international communications. Drawn to the West, she moved to Idaho in 2008, and soon found her way to New Mexico to work for NM Wild. Deines manages member communications including eNews, website and social media, action alerts, and publications including the Wild Guide and newsletter. She also manages membership and fundraising communications.
