Marty Basch : Winter Trails Maine: The Best Cross-Country Ski and Snowshoe Trails (Winter Trails Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Winter Trails Maine: The Best Cross-Country Ski and Snowshoe Trails (Winter Trails Series):

0 of 0 people found the following review helpful. ExcellentBy p/carterJust what I needed.7 of 7 people found the following review helpful. Wonderful winter guide for the Outdoors-PersonBy Judy K MarkowskyI love to snowshoe,

so I got this book in anticipation of a snowy Maine winter. It has some wonderful ideas of places to go for a satisfying snowshoe trek! It gives good directions, has topo maps, and also gives tips on the level of difficulty. It tells you the scenic highlights of each trail, whetting your appetite for each every one. There aren't enough weekends in a Maine winter to try them all! It even offers info on nearby motels and grocery stores (so you can pack a lunch). Looks like it offers a lot of information for the cross-country skier, too. I've snowshoed for years, but this offers a multitude of new ideas of wonderful places to go. Now I can't wait for the first "heavy dumper."

Designed for all levels, from the consummate winter recreational skiers and snowshoers to beginners and families, Winter Trails will lead you to the best places to snowshoe or cross-country ski in Maine. Be it a day-trip, a two-hour jaunt, or an overnight in the backcountry, you can enjoy the beauty and peacefulness of the great outdoors in winter with these 40 carefully researched trails. Each outing is described in detail and includes information about the natural landscape, such as distance in miles, trail difficulty, surface quality, and more. New converts to the winter sports of snowshoeing and cross-country skiing will also find a rundown of proper equipment and clothing suggestions, as well as tips on safety, navigation, and trail etiquette. Use this guide to explore the best trails that Maine has to offer.
